

## About us – Profile

### Invest and Build in Portugal

[www.athomeinportugal.com](http://www.athomeinportugal.com) cooperates with several regional real-estate agencies located all over Portugal as well as it promotes properties being sold directly by their owners. Besides offering real-estate we also build in Portugal for our clients.

We work with independent associates based in Portugal and the architect responsible for [www.athomeinportugal.com](http://www.athomeinportugal.com) spends part of the time in the North of Europe to be of better assistance to our foreign clients.

We cooperate with Portuguese real-estate agents, lawyers, architects, engineers and builders who can help you throughout the whole process of buying or building in Portugal.

All our coworkers charge Portuguese fees which are much lower than in most of the other European countries.

Count on us to support you buying or building your own house in Portugal, or to participate in a bigger investment.

### Our fields of work :

#### **1\* Real-Estate in Portugal.**

#### **2\* Build in Portugal.**

#### **1\* - Real-Estate in Portugal.**

**Land and houses for sale in Portugal.** – At home in Portugal joins together a great selection of available properties to sell all over Portugal.

This web-page counts with the participation of not only the biggest real estate agencies operating in Portugal but also with small regional agencies as well as property's owners.

Because of this reason we are in the position to choose for you the best fitting object from the largest real estate selection you can find on the Portuguese market.

We know the market and know, which agency works respectably and offers your desired property for the cheapest price.

- Our service regarding the properties we represent is without obligation and costs you nothing.
- We can guarantee you an independent and objective service.
- We cooperate only with respectable real estate agents.
- We work with property's owners and regional real-estate agencies and thereby we can pick out for you also interesting objects from the local market, which remain often hidden for the foreign market.
- We cooperate with a competent team of professionals operating in Portugal and North of Europe able to reply you quickly and in English.
- We can advise you regarding buying a property in Portugal.
