

Casa dos Azulejos

ID: ATR008

The “Casa dos Azulejos” is situated in Vila de Rei. Vila de Rei is a **village** between **pine-woods** and **lagoons** in the centre of Portugal. It is a beautiful and quiet place where time runs with the rhythm of many years ago and the main thing you can do is to relax and enjoy.

“Casas dos Azulejos” is a typical **building** from the **19th** century and its immediate charm comes from the magnificent decoration of the **façade** with ceramic tiles.

The house is divided in 2 areas, one for the owners and another to rent.

In the part of the house to rent, there are 2 apartments. They are very different from each other and placed in different levels of the house, so your **privacy** can be preserved. Each apartment has one bedroom, a living-room a bathroom and a kitchenette. Besides your apartment you can also use the common spaces in this part of the house. Here you can still find a beautiful **traditional kitchen** which usually serves as the meeting point in the house, the terraces and gardens where you can appreciate a magnificent view or enjoy yourself on the family little farm. The entire house, including the apartments is decorated with **priceless antique furniture** and objects, which brings a nostalgic **refine ambience** to the space.

As Vila de Rei is a very central location, from “casa dos Azulejos” you can visit many other interesting places, including the lake with its beautiful blue water.
