

Quinta do Troviscal

ID: ATR001

“Quinta do Troviscal” is a very special place **by a lake** in the centre of Portugal, 10 km from Tomar.

The farm has many colorful and fragrant trees and unique flowers of various kinds. The land starts on a hill and ends by the lake where you can see the beautiful blue water. In the lake there's a big raft that you can use to jump into the water from or relax on and enjoy the sun. You can use the boat to spend a quiet day on the lake or you can go walking. By car you can travel the routes suggested in the "vá passear" flyer given to you on your arrival. The farm has numerous animals including horses. You can try other aquatic sports like canoeing or water skiing. Or take a walk through the woods or even a donkey ride. You just have to ask the owners to help you organizing it.

There are two main houses in the farm:

One includes a double room and two suites for rent. All of them have **individual terraces** facing the **swimming-pool**, over looking the lake. A magnificent traditional breakfast is served daily on the terraces.

The other house “**A Casa dos Monstrous**” is a traditional old stone house beautifully recuperated situated in the **middle of the woods**.

This house is a 2 room apartment containing a living-room with a fire place, a kitchen, a bathroom and a garden with a magnificent **private swimming-pool** over looking the lake, plenty of green and a beautiful fountain.

All the available places for rent in "Quinta do Troviscal" are fully furnished and **elegantly decorated**. They all include a bathroom and a fridge/bar.
